To Our Preparedness Partners:

TCEQ, EPA, and other agencies have several fact sheets that may be useful to residents within the communities that were impacted by Hurricane Harvey. I am attaching the fact sheets.

While many of you are not in the impacted areas, please feel free to distribute them to any distribution lists you may have within your community or county, or friends, relatives, and company associates that may have been impacted.

As always, thanks in advance. And of course, call me if there is anything I can help you with from an EPA standpoint.

With Regards, Steve
